Profile

Creative designer with experience and passion in UX/UI. Strong visual & graphical skills and detail dynamite. Inspiration is my nutrition. Multiformity is my word. Like a chameleon, I can quickly adapt to the environment. Every project of mine is an artwork, where my goal is not only to create something that looks good, but to create something that feels good.

Work

Feb 2017-Apr 2017

Digital Designer

Kunstrukt

Mainly responsible for PR and SoMe, also worked with service design, marketing, research and photography.

August 2015-Sept 2015

Multimedia Designer

Women in B2B

Creating a new website, branding, logo design and photoshooting.

April 2015-June 2015

Waitress

Pastamania

As a waitress I have gained skills in problem solving, multitasking and learnt to handle stressful, busy situations (in danish :)).
